

iSi Twist'n Sparkle Virtuoso.

Sparkle it your way — enjoy sparkling refreshments anytime, anywhere.

Use it to carbonate a wide variety of cold drinks directly in the bottle, including fruit and vegetable juices, tea, wine, spirits, and water with natural ingredients such as fresh fruit, herbs, and syrups.

Sparkling water

Sparkling mixed drinks

Matching accessories.

ADVANTAGES

- More than just soda water: transforms any cold drink in the bottle into sparkling goodness in no time
- Ultra-compact, portable beverage carbonation system – ready to use anytime
- No electricity required. Easy to use: fill the bottle, insert the Soda Charger, twist, and enjoy!
- Chic and functional: a stylish bottle with a transparent silicone sleeve in two colors
- A unique carbonation system – each iSi Sparklets Soda Charger is precisely pre-portioned to carbonate 0.95 liters of beverage perfectly
- No more single-use plastic or cans – a more environmentally friendly and durable alternative
- iSi Sparklets Soda Chargers are 100% recyclable*
- Quality from Austria: The iSi Sparklets Soda Chargers are produced by a family-owned business
- Voluntary support of climate protection projects: To offset the remaining product-related carbon footprint of the Twist'n Sparkle Virtuoso, iSi voluntarily invests in UN-certified climate protection projects

PRODUCT FEATURES

- Refillable, high-quality PET bottle (BPA- and phthalate-free) with fill level markings and an easy-to-grip screw cap
- Elegant, transparent bottle sleeve made of silicone in a classic diamond design, offering optimal grip, durability, and safe use
- Sparkling Wand with patented CO₂ infusion technology
- To be used with original iSi Sparklets Soda Chargers 8.4 g
- Only suitable for cold drinks
- Not dishwasher safe
- 2-year warranty (minimum shelf life of the bottle: 4 years)
